

Student Leaders' Investiture 2022

In 2022, with the review of the Student Leadership Development Framework, we held the first Student Leaders' Investiture on 23 February 2022 to formally present the Prefect Captain team, P4-6 Prefects and P6 CCA Leaders.

With the changes in the Safe Management Measures, the P6 Student Leaders were able to witness the event in the School Hall. The rest of the school community stayed in their classrooms and watched the Investiture through Zoom.

First, the P6 CCA Leaders were each introduced to the school. Next, the Primary 4, 5 and 6 Prefects, as well as the members of the Prefect Captain Team were each introduced to the school. They were all officially appointed by our Principal, Mrs Ko. This was followed by the Head and Assistant Head Prefects leading the P6 CCA Leaders and Prefects in reciting the Student Leaders' Pledge, witnessed by everyone in school. It was a proud moment for the student leaders as they pledged their commitment and loyalty as student leaders of the school. After a prayer of blessing upon the student leaders by our Chaplain's Assistant, Mdm Wang Kar Foon, The Head Prefect shared about her role and aspirations as she traced her leadership journey.
